RESPONSE TO Intervention

POLICY CONSIDERATIONS AND IMPLEMENTATION

Softbound
64 pages
© 2005 NASDSE

The Individuals with Disabilities Education Improvement Act of 2004 (IDEA 2004) made important amendments to the federal special education law regarding the identification of students with learning disabilities. *Response to Intervention: Policy Considerations and Implementation* is an essential resource that provides policy and implementation options for Response to Intervention (RtI). The book grounds RtI in law and policy predating IDEA 2004 in addition to walking the reader through the array of implementation issues.

Table of Contents

- I. Definition of Response to Intervention (RtI)
- II. RtI Foundations in Research and Policy
- III. Support for RtI in Federal Law
- IV. Core Principles of RtI
- V. Essential Components of RtI
- VI. Special Education Eligibility Determination in RtI
- VII. RtI Policy Considerations
- VIII. RtI Professional Development

About NASDSE

The National Association of State Directors of Special Education provides support to all states, the District of Columbia, the Department of Defense, the Bureau of Indian Affairs and other federal jurisdictions in the delivery of quality education to children and youth with disabilities. NASDSE is dedicated to, and focused on, continuously improving educational services and outcomes while ensuring a balance of procedural guarantees for our children and youth with disabilities and their families. For more information about NASDSE and its programs, visit www.nasdse.org.
